

Metric No. 1.4.1 of Criterion 1
Analysis of feedback from Alumni, Students and Teachers of the College for the
Academic Year 2022-2023, M.B. College, Imphal

IQAC prepared the questionnaire and feedbacks were collected from alumni, students and teachers for the academic session 2022-2023. There were separate questionnaires for all the three categories of alumni, students and teachers. The questionnaire had various aspects of the college specially on learning experience, syllabus, learning environment, Departments and teachers, library facilities and administration. 7 alumni responded to the feedbacks. The suggestions from the alumni include need for improvement in infrastructure, change in the curriculum and syllabus with changing times and improvement in teaching-learning process. The students should be given more opportunities for knowledge, skills and experiences as per new requirements. Some of the alumni suggested for introduction of new courses like home science, vocational and skill related courses as well as for the implementation of New Education Policy 2020.

12 students of the College responded to the feedbacks. The suggestions from the students include change in the syllabus; introduction of sports related courses and need for learning more on the culture and society of Manipur. Some of the students suggested that internet facilities should be provided to the students in the College along with latest books and journals. 13 teachers of the College responded to the feedback. The questionnaire for the teachers contained questions on syllabus, programmes, prescribed books, facilities in the College, freedom to adopt new techniques of teaching, testing and assessment of students, teaching environment, research and project facilities, relationship between administration and teachers. The collected feedbacks and suggestions were analyzed and discussed by IQAC, Principal and Academic Committee of the College.

Some corrective measures were taken up by IQAC and College. With the adoption of National Education Policy 2020 from the academic session 2022-2023 by Manipur University, some of the suggestions have started implementing by the College. In this sense Manipur colleges are in the same level as with those who adopted National Education Policy 2020.
