

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Student Counselling

Objectives:

To help the students to improve self-confidence, learn problem management and selection of career avenues.

Situation:

Teacher counselors are supposed to support the students who are talented, or, nervous who cannot express themselves well and to socialize.

The practice:

Teacher counsellors attempted to draw out students' unique attention by employing student-friendly activities such as singing, role-playing, performing musical instruments, puzzle play, word games and quizzes.

Indication of Success:

The students were found relaxed, free to talk, shared and communicated better. Some students get employment.

Resources:

The programme did not require hefty amount of money.

2. Rainwater Harvesting

Objectives: To supplement the need of water supply for the college.

Situation: The college campus cannot acquire water from public water supply system due to scarcity of water supply and purchase water from private water supply.

The practice: The college management arranged rain water harvesting from the roofs of the halls and classrooms and stored in the water reservoir.

Indication of Success: The collected water is use in toilets and washrooms.

Resources: Installation of the gutter and drain pipes and construction of the reservoir tank.
